

Linux Kernel Programming

The Page Cache and Page Writeback

Pierre Olivier

Systems Software Research Group @ Virginia Tech

April 26, 2017

Additional LKP pointers

1 Network stack

- ▶ *Professional Linux Kernel Architecture* [2] , chapter 12
- ▶ *Understanding the Linux network internals* [1]

2 Performance evaluation, tracing

- ▶ <http://www.brendangregg.com/linuxperf.html>
- ▶ <https://www.slideshare.net/DarkStarSword/instrumentation>

Bibliography I

- [1] [BENVENUTI, C.](#)
Understanding Linux network internals.
" O'Reilly Media, Inc.", 2006.
- [2] [MAUERER, W.](#)
Professional Linux kernel architecture.
John Wiley & Sons, 2010.
